To A.S.

Please see the letter from Sri K. Narayanian on p.1c.1 He has asked for a copy of G.O.Ms.No.2441 Devt., dated 7-5-49 containing the report on geological survey of the Sandur State by M/s. M.S. Venkataram and N.V.B.S. Dutt. The applicant has stated that the S.G.P. to whom he has approached for the copy of the report had directed him to get it from Govt. The report was recently printed and the S.G.P. supplied to Govt. with 40 copies, which were been distributed to various heads of depts. concerned. There are no spare copies of the G.O. available in office. It is not known how many copies were printed for sale by S.G.P. The S.G.P. may perhaps be asked to state how many copies were printed for sale to public and whether ~~they~~ there are any spare copy available with him for sale.

Subject to orders a draft memo. is submitted below for approval.

3. Sri K. Narayaniah, a mine- owner of Bellary, has now requested to be furnished with a copy of the Geological report published in the G.O. at (T). No spare copies are available in this Department. The S.G.P. has stated that no copies are kept by him for sale to the public. If a copy is to be granted to the petitioner, he has to furnish copy stamp papers at the rate of 25 lines a page. The entire printed matter comes to 71 pages in this case. This of course excludes maps and sketches contained in the report.

4. It will involve extra labour if a certified copy is to be granted now. As the report however contains valuable information which may be of interest to a wider range of the public and as similar requests for copies are likely to be made by others it is for consideration and orders whether a reprint of the G.O. will be sanctioned. If so, the S.G.P. may be asked to report the cost involved in reprinting the G.O. and the time likely to be taken to make the printed copies available. Subject to orders, a draft memorandum is submitted for approval. Education may see before issued.
